**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe Sonic offer better pricing and service than either ATT or Xfinity in my area and are my only viable alternative to either of those vendors.. As it is I am already faced with a limited number of service providers and I'd hate to lose any of the few choices I'm offered.

I read that ATT raised their rates after the recent ATT-TimesWarner merger, despite promising the court that the merger would reduce costs and rates.

I rely on efficient and reliable broadband to run my small business and earn a living. I can ill afford ATT and their gratuitous rate hikes.
